

Please Support the Raymond Concession Stand

In order for Raymond Baseball and Softball Association to keep registration fees low, we have worked very hard at having the concession stand open for every baseball and softball game in an attempt to sell products and to raise money for the organization. This year, we have made a decision to actually lower registration fees in order to help families afford to have their child play in these tough economic times. As a result, support for the Concession Stand will be more important than ever. As in prior years, we are asking **every player to donate** the following items to the concession stand in order to support the Raymond Baseball and Softball Association:

- 8U baseball: 1 package Oscar Meyer Hot dogs
- 10U baseball: 1 package **pre cooked** bratwursts
- 12U baseball: 1 package Oscar Meyer Hot dogs
- Pony baseball: 1 package **pre cooked** bratwursts
- 8U softball: 12 pack Pepsi product
- 10U softball: 12 pack Pepsi product
- 12U softball: 12 pack Pepsi product
- 15U softball: 12 pack Pepsi product
- T-ball baseball: 12 pack Coke product

Please drop off your product donation at the Concession Stand on the day of your first home game or at your earliest convenience. We would like to thank you in advance for your support on this. We would also like to communicate that you can purchase team snacks and team pops for just \$12; every player can pick his or her pop and candy bar/popcorn. Or you can just pay \$6 for one or the other. This works out to \$1 or less per player and benefits the organization. You can also order whole pepperoni or cheese pizza pies through the concession stand for \$12 (which is a lower cost than purchasing the pizza yourself) and would result in a profit for the organization.

Thanks to the **Jason Heard family**, we have had a hog roast/ ice cream social for the last 2 years as our only fundraiser and this event has been a great success. This year on **Saturday, June 19** will mark our 4th annual **Hog Roast/Ice Cream Social**. Please plan on joining us for this exciting and affordable family event.
